## The Little Ouse Headwaters Project - "Two Rivers" Winter Walk

On Sunday 2<sup>nd</sup> January over 40 members and guests spent a bracing morning walking for two hours round some of the LOHP lands under management and then between the Little Ouse and the Waveney rivers.

Chairman Nigel Clark commented "that it was a great opportunity for new members and guests to see our work at first hand and benefit from some New Year fresh air" he went on to ask for more volunteers who will be needed to work on the new lands the project has acquired.

On Christmas Eve, Nigel also made the first LOHP broadcast on Park Radio our new local station, where he described the important work being carried out for the benefit of both wildlife and the amenity of local people.
