

LITTLE OUSE HEADWATERS PROJECT:

PHOTOGRAPHIC COPYRIGHT AND PERMISSIONS

The purpose of this agreement is to ensure that your contribution to the LOHP photo library is in accordance with your wishes.

All material held by the Project will be held in the LOHP photo library. This includes digital files, prints, negatives and other forms of photographic image. The photo library is a section of the LOHP Archive.

The photographic material will be maintained solely for non-commercial use in the work of the LOHP. This might include publications, the web site, reports, presentations or used as a reference source for use in research, education, exhibitions and publications.

If you wish to limit public access to your contribution please state your conditions here:

I hereby assign any rights of reproduction and non-commercial use of my contribution to the Little Ouse Headwaters Project. The full copyright remains with me as the photographer.
